- **"Cuts" Mucus Film.** A rinse with full-strength Lavis before an impression helps clear away mucus, prevents air bubbles. Many dentists now use Lavis this way routinely.
- **Keeps Operative Area Cleaner.** Lavis' unique cleansing action effectively and thoroughly cleans away mucus, food particles and impurities. Use Lavis Spray  $\frac{1}{2}$  strength or stronger. (Wouldn't you rather work in a Lavis-clean mouth?)
- **Helps Promote Patient Comfort.** To nervous patients, even minor discomforts loom large. The pleasant taste and feel of Lavis refreshes, helps keep them at ease. The bright red color of Lavis helps mask minor hemorrhage.

## A Place in the Dental Sun

A place in the dental sun is just another way of saying being recognized by your fellow men. In dental programming the place in the sun has its beginning many times in the Table Clinics. In many ways the clinic section is the real backbone of any good dental meeting. It provides the average practitioner the opportunity to show his fellow professional men those techniques which, though they may not be earth-shaking, go to make his everyday practice easier and more effective. It gives the man who doesn't have a specialist on the next corner to whom he can send his problems, a chance to demonstrate how he met an emergency and successfully carried through. It is the chance for the man who spends 95 per cent of his working hours in the confines of his office to share his knowledge and experience with his fellow dentists.

Table clinics are the training ground for future essayists and limited attendance clinicians. The stimulus gained from the intimate interchange of ideas around the small clinic table is a real inspiration to do bigger and better things. Thus future dental teachers are born and we certainly can use them.

Again may the writer repeat that a good table clinic is the average general practitioner's best opportunity to share his knowledge with his fellow men and thus add to the sum total of dental knowledge, and also a wonderful chance for a place in the dental sun.

General Clinic Chairman John McBride and his committee will be very happy to hear from you and carefully study what you have to offer.

Address him as follows: Dr. John McBride, Clinic Chairman, Chicago Dental Society, 30 N. Michigan Avenue, Chicago 2, Illinois. Describe your clinic and your experience in giving it.—*E. Ebert.*

## Legislators Too Have a Responsibility

Now that both party conventions are over and the nominees chosen, the days between now and November 8th will give each of us an opportunity to share in one of this earth's richest heritages—the right of free choice of who shall govern us. We will not only choose who shall be our President and our Vice-president, our representatives in the national Congress, our state officials, but our local governmental leaders as well. Our choice will determine the kind of a country we and our children will live in for many years ahead. If we are to pass on to those who follow all the privileges that we enjoy, then you and I must exercise our great right to vote with only our conscience as a guide.

However, you must do more than vote, you must give of your time and money if we are to elect qualified persons. Make a contribution to the party of your choice, work personally for the candidates by urging and seeing to it that every member of your family who is eligible votes, get your neighbors and friends to become informed and to vote. Let the candidates at the local level know what is needed to protect the health and welfare of the community and to make your community the best in which to raise your children. Make it known that you are concerned enough and interested enough in your community, state and nation to do something about it. Five votes per precinct can make the difference between victory and defeat. You can bet that the professional politicians will all vote so it is you who hold the balance of power and

must exercise that power. Let us make it 95 per cent voting instead of 45 or 55 per cent. *You can do something about it!*

This for the most part is a repetition of what has been said in several previous editorials but does bear repeating, for in neighboring British Columbia, Canada, the legislative body of that province seems to have lost sight of its responsibility to enact laws which will protect the health and welfare of the public. Let me quote from the *A.D.A. Newsletter* of August 1st:

## Only Law Breakers Qualify for Special Technicians License in Province

"Dental technicians in British Columbia, Canada, who have been breaking the law for the past seven years are now empowered to make and sell dentures directly for the public. Those dental technicians who have been obeying the law, which until now forbade direct dealings with the public, do not receive the right. This seems the substance of regulations governing dental technicians recently enacted by the provincial legislature under the 'Dental Technicians Act of 1958.' That this interpretation is the correct one was confirmed by R. R. Keith, a member of the dental technicians' examining board. The details of the enactment, section 10 of the new regulations, provide that these technicians who have had 12 years' experience as a dental technician of which the last seven years shall have been spent in an establishment dealing with the public in British Columbia, can apply until September 15th for a license to deal directly with the public. The license will not be available in future years. The Victoria, B.C., *Daily Colonist*, a newspaper in the province, headed the story: 'False Teeth Permits to Lawbreakers Only.' The paper quoted Dr. C. R. Hallman, president of the provincial College of Dental Surgeons, as asking whether 'abortionists and bootleggers should demand the same right.' Other sections of the regulations provide that those dental technicians who do not qualify under section 10 must still do business only upon the basis of written prescriptions from dentists. It also requires that all technicians must register with the examining board and accept classification as senior, junior or apprentice technicians. No technicians, even those with the special license, will be allowed to advertise." (End of quote)

This is second-class dentistry with one segment of the practice of dentistry delegated to persons unqualified by education, by training and by proper examination to render a health service. Even more damaging than this is the moral degradation which comes from making legal those practices which flaunted the laws and the highest concept of good health service. Over the past 100 years dentistry has evolved from a craft to be learned by apprenticeship to a health profession demanding the finest scientific and technical training making it one of the finest health professions.

Are we to go down the road of two-level dentistry after we have reached the mountain-top of professional skill and service? Are the dreams and aspirations of 100 years of striving to make American dentistry the finest in the world and American dental health service the best in the world going down to the greed and avarice of money-grabbing charlatans? If it is not to happen here then YOU and YOU and every last man of us must go to work to elect men who care enough about good health to protect it!

There has never been a truer statement made than this: "You can no more safely have a little bit of bi-level dentistry than you can be a little bit pregnant."

Do you love your profession enough to fight for it and for the best dental health service in the world?

GO TO WORK in this election and every other election.—E. Ebert.

## West Suburban

"Tally Ho and Away We Go." Still in the midst of vacation time with golfing, swimming, fishing, motoring and loafing being enjoyed by many of our local boys and their families. Hearing of the interesting areas traversed gives me many adventurous ideas for future travels. . . . Was good to hear Foster Robeson is enjoying a week of fishing up in The Land Of Sky Blue Waters, Minnesota. . . . Understand Dom Catrambone and family at present are enjoying a week of motoring and golfing. Who is doing the caddy-ing, Dom? . . . Marshall Marshall and family topped the month off with a great deal of excitement spending their vacation with relatives at Crab Orchard Lake, Marion, Illinois, climaxing with the obtaining of a new Park Lane Mercury. . . . Jim, Delores Ridlen, and daughters recently returned from two weeks of touring the interesting areas of Florida—no need for "Man Tan" now eh, Jim? While down in Venice, Florida, Jim and Delores visited Don Jaeger formerly of Lombard, a retired West Suburbanite who sends his best to all. . . . Tony Bittman and family just returned from the frigid northern peninsula of Michigan. . . . Clem Shockey was seen spending his vacation practicing golf. . . . Back from Gulfport, Mississippi recently came the Robert Brewers. . . . Ed Kritzke and wife toured Northern Illinois and Wisconsin. . . . From the Oak Leaves Study Group to the Lyle McDonalds go a hearty thank you. Lyle and Mrs. McDonald winned, dined, and entertained the group most royally at their summer cottage at Silver Lake. Members and wives present were Ed Kritzke, Bob Price, Tope Maxson, Arno Brett, Sol Metcalf, Hugo DelRosso, Joe Bone, Joe McCormack, John Sipple, and Bob McDonald. . . . Was certainly happy to hear of Arno Brett's returning to work—just impossible to hold a good man down, Arno. . . . Congratulations to

Edwin Hovorka on being elected president of the Maywood Rotary Club. . . . Also congratulations to Wayne Dunnom on his receiving membership on the Dental Staff at Oak Park Hospital. . . . Once again a reminder of the Loyola alumni golf outing and dinner Wednesday, September 14, at Midwest Country Club, Hinsdale, Illinois. How's this for enticement, "Everyone goes home with a prize!" . . . Hot off the press we have news of the coming schedule set up by the Round Table for their 1960-1961 year. Lecturers and subjects scheduled are Dr. J. Restarski—root canal, Dr. A. Krol—partial dentures, Dr. A. Gargiulo—periodontia, Dr. C. Hebbing—silicates. Sounds like a most interesting year. . . . "Perry Don-tist's" latest words of wisdom. "Fame is what you have taken, character is what you give. When to this truth you awaken, then you begin to live."—*J. V. Discipio, Branch Correspondent.*

## West Side

It is appropriate at this time to thank Sam Silver for taking over the duty of caring for this column for the past two years. Sam has done a fine job of keeping us aware of the events of our branch. It isn't always an easy task to gather interesting reading material and it isn't easy for the same man to gather material that would adequately blanket events for the entire branch. With that in mind Sam's ideas can be more thoroughly appreciated. The personality highlights on our members was especially nice and will perhaps be imitated by this column from time to time. Thanks again, Sam, for a very nice bit of work. . . . Our president Walt Zipprich is partial to new Oldsmobiles. He just recently got himself a beauty. . . . Al Sells is away again. Haven't too much information on him yet. . . . Leo Cahill and a very good friend from Boston are visiting the Scandinavian part

of this world. This gentleman will be qualified to write a book if this goes on. . . . Ed Chmiel and several others have gone to Buffalo for their dental meeting. . . . F. Robeson and George Barnes are having a nice time up in Bemidji, Minnesota. Hope you catch some, fellows. They sent a nice card. . . . Bill Gubbins is looking very well and is often seen with others of our branch at lunch hour. . . . Irwin Robinson and Dan Laskin have closed their office for a little vacation. . . . The Branch is saddened by the demise of the father of Dan Laskin. . . . It won't be long before the summer ends so if there's anything cooking this column will be glad to print. All items will be appreciated so keep it bouncing. . . . See you soon.—

## North Side

I wish to thank Herb Lippitz, vice-chairman of the North Side Editorial Committee for so ably assuming the role of correspondent for the last FORTNIGHTLY REVIEW issue. My dear Hilda is coming along fine now after her recent surgery and also extends her appreciation for helping to lift the load! . . . Many of us take for granted some of the wonderful advantages that are around us. This is probably true for the habitual members of the Uptown Dental Forum, which consists mostly of North Side men and the balance from Northwest and North Suburban Branches. This organization of over 13 years of weekly meetings is probably the most well-informed group in organized dentistry today. It offers its members the opportunity of self-expression, exchange of information and ideas, and to listen to the latest information on dentistry, medicine and current events. Membership is open to all dentists and its allied industries. Just attending our luncheon meeting and having your name placed on our mailing list will make you a *bona fide* member. These meetings are held each Friday between 12:15 and 2 p.m. at the Town House Restaurant at Sheridan and Morse. Our President is Harry Greene, Program Chairman, Joel

Arnold; and Secretary Dick Pippia. The programs for the month of September will include Captain Fahey of the Town Hall District, speaking on "Crime Prevention." Dr. Andrew Tomin, candidate for coroner, will talk on "Gunshot Wounds." On September 16 Mr. David Tescher, the Israeli Consul-General, will speak on "Israel Meets Its Challenge." A discussion of the internationally controversial case of Adolph Eichmann will be included. This latter meeting will require reservations to be made with Dr. Pippia at LO 1-1243. The last lecture was given by Dr. H. Niebal of the West Side V. A. Hospital and Loyola University Dental School, on the "Early Diagnosis of Oral Cancer." His method of detection was beautifully demonstrated in his excellent slides and movies. Old and new members alike have the advantage of education and good fellowship at our weekly Uptown Forum meetings. Avail yourself of this opportunity! . . . Ed Walker, a man who is always providing us with news is in the limelight himself! He is enjoying a vacation with his grandchildren up in Minocqua, Wisconsin. . . . Our recently retired Walter Christiansen is now on the high seas on his way to Europe. . . . Harold Lange, his wife and daughter have returned with a Volkswagen after a motor tour of Europe for the past three months. . . . Phil Lubar must be mighty proud to have his third son entering medical school this fall! . . . Mike Poliak is sporting five new Hongkong suits and sport coats from his recent tour of the Orient. . . . Francis Joseph's wife Cele is recovering nicely from her recent leg surgery as is Irv Shaewitz's gal Deborah who spent some time in Mt. Sinai Hospital. This looks like a prosperous season for surgeons! . . . Bill Keats, minus his gall bladder is entertaining the nursing staff at Bethany. . . . Bud Bauer is not happy about his future surgery. Dentistry must be as hard on the "tummy" as ditch digging! . . . The Irv Fishmans have returned from Cleveland where they looked over Western Reserve U. where their

# NOBILIUM IS TOPS

The successful *oral* service of partial dentures depends not only upon the metal used in processing, but also upon the dimensional accuracy of the materials used in preparing the cases for casting.

Thousands of prosthetic-wise dentists verify Nobilium service's superiority in providing partials that satisfy *every time*. The answer is to be found in Nobilium's employment of alloy, duplicating material, investments that were scientifically developed to *work together* for the best results. The Nobilium electric casting machine assures the most perfect dental castings ever made by protecting the alloy during melting from the atmosphere with argon gas and thus eliminating flux and avoiding oxidation and carbon pick-up.

The whole is equal, as you know, to the sum total of all its parts. Nobilium partials are tops because *all* metal, materials and methods used in their construction are unsurpassed . . . For real patient happiness, nothing compares with Nobilium restorations. Specify them to your laboratory.

## Englewood

*"All the news that's fit to print."* . . . The first week in September—vacation is over—summer work schedules revised—pleasant thoughts of the great round of golf, or that big fish, are interrupted by that miserable telephone. "Doctor, school begins tomorrow and I was wondering if you have time to check the four kids?" . . . Mal Brooks says he is simply going into orbit for two weeks prior to the onslaught. However, Jack Manning plays it cagey by taking his vacation the first two weeks of September. . . . Reuben Anderson is back on the job after several weeks of medical care. Looks good,

sounds good. He spent the first day just cleaning up his desk. . . . I received a picture postcard from Ken Sharpe showing a lush motel in Louisiana. Ken says, "This is how this place looks when it isn't raining—which it is." . . . Don Reynolds and family are "training" it to California via the scenic route. . . . Jim Green is anticipating playing in a Pro-Am event which includes all the really big names in golf. It won't help your game, Jim, nothing will! Speaking of golf, I had the unusual opportunity of playing with three amputees in the warm-up for the recent National Golf Tournament. Of the three men, the most remarkable was one with only one leg and no artificial limb. He walked the course on crutches and hit the ball, balanced immaculately, on his one foot. For your information, he shot a 79, but had been up all night driving to the tournament. Incidentally, at this writing the leader is a one-legged dental student from Kansas City. I came away from this round of golf with an improved outlook on everything. . . . Ray Anderson tells of taking his wife and four neighborhood youngsters to the Sox-Yankee game on a recent Wednesday afternoon. After parking his car and buying tickets, he found no seats were available. They decided to go home and watch it on T.V. only to find his car wedged in 3 deep. So Helen took the kids home on the bus and Ray "stood out" the game. To top off this lovely day—the Sox lost! . . . Vern Eklund reports he drove to Milwaukee for a day and didn't have one beer. Wants to know if that sets some kind of record? . . . Heartiest congratulations from all of Englewood to Ernie Goldhorn and Howard Strange who have been invited into the American College of Dentists. . . . Frank Farrell offers choice tee-off times to four-somes who buy their tickets for the Loyola Golf outing in advance. The date is September 14th, but contact Frank before this date to get V.I.P. treatment. . . . I close this column on a sad note, reporting the passing of John Lacey. He practiced on the South Side for 40 years and had just recently retired. He served as President of the Englewood Branch

and a term on the State Executive Council. He was a regular and loyal member of our branch and actively supported each and all of its functions. To his widow and son we extend deepest sympathies.—*Dan Duffy.*

## Kenwood-Hyde Park

The Kenwood-Hyde Park branch was well represented at the beautiful summer home of the Lou Paddens in Michiana last week. All of us who partook in the gala festivities are still talking about the delicious food, divine drinks and above all the warm hospitality of Sadye and Lou. Those present for the day were the Ted Rosens, Maury Leafs, Arnold Raffels, Bernie Glasers, Mort Firemans, Joe Morros, and the Jack Sarnats. . . . Just learned, and it's old news now, that the T. Rosens, B. Glasers, and the A. Raffels travelled to Mexico together, and after a few days of the usual illnesses a tremendous time was had by all. Bernie Glaser has a stuffed something or other hanging in his den at home to show the results of his successful deep sea fishing. Ted Rosen caught a four-pound lox and Arnold Raffel a three-and-a-half-pound bagel. I wonder if they were kidding me! Sounds fishy! While we're on the subject of fish, Bernie Glaser and his fisherman son spent a week in northern Wisconsin—guide and all, outdoor living from morning until night, fishing and cooking their catch—they tell me the minnows were

delicious—and again while on the subject of fish it reminds me that I left Ted Fishman's name out of the Padden's party—of course he's not K.H.P., just an Englewoodian and so is Lou Padden. . . . The South Shore Study Club, under the magnificent arrangements of Dick Perlow and Herb Rosen of the South Suburban Branch, planned a terrific affair at the Town and Country Motel. After a very delicious prime rib dinner we all heard a very informative and provocative talk given by Mr. Nevin of the Coe Laboratories who really inspired us with his presentation on practice management and patient-dentist relationship. After dinner, of course, the "Cocktail Hours" and off to bed in the wee hours of the morning after listening to our stock analyst, Charlie Fischer. Early in the morning we had breakfast—a dip in the pool—lunch—gin rummy and sadly off for home after a complete rest?????. The members of the study club present were, Charlie Fischer, Ted Fishman, Phil Goldberg, Abe Halperin, Bob Scher, Maury Leaf, Al Smith, Herb Rosen, Ted Rosen, Dick Perlow, Sol Findel and yours truly. Wives? Of course! . . . Al Smith and his family are off again to Sleepy Hollow in South Haven, Mich. Heard he just returned from Florida and Nassau. Where next, Al? . . . Have you heard the good news about Ben Klavan who was just recently promoted to Associate Professor. Congratulations to you, Professor Klavan. You surely deserve the high honor. . . . Who's all planning to attend the A.D.A.

Meeting in Los Angeles besides the Jack Sarnats and your branch correspondent? Let's hear from you. This is news! My spies have done me wrong for this session of the news. Heard from no one. What a record!—Don't be bashful fellows, call me up sometime. . . . Keep well and happy.—*Morton J. Fireman, Branch Correspondent.*

## Northwest Side

Your branch correspondent has been in close touch with Ted Ferguson, the program chairman for the forthcoming fall branch meetings, and from our discussions I can tell you that the programs will be varied and most interesting. There are still minor changes being made and when all details have been completed the branch membership will then receive some literature in this respect. The first branch meeting is being scheduled for the first Tuesday in October which is on the 4th and the meetings will be held at Di Leo's as the last season. The season dinner tickets are available and Mark Spencer, our dinner chairman, will be happy to furnish them at your request. Just call Mark at NA 2-0003. . . . A few notes about some of our colleagues—Bob Pawlowski has just returned from a vacation which he spent at Powers Lake, Wisconsin, and just knowing Bob it is a safe bet to say that he spent quite a bit of time fishing. I wonder just what fish tales he has to narrate at this time—the big one

got away I'm sure. Alf Altern is undergoing his Marine Reserve training at Twenty Nine Palms, California. This is to be somewhere in the Mojave desert where the temperature just reaches 130 degrees (it's just like taking a steam bath out in the open), how lucky can you get? and it's all with the compliments of the government. Congratulations to Joe Lebow and his wife who won the husband-wife championship at the Twin Orchard golf club. . . . Louis Lebow is making an extensive tour of Europe at this time and when last heard of he was visiting Israel. Congratulations are also extended to J. J. Applebaum's family on the forthcoming marriage of their daughter Myrna to Jerry Chatow who is a 3rd year medical student at the University of Illinois. The wedding will take place this September at the Sheraton-Blackstone hotel. The Frank Brzezinskis will celebrate their daughter Carol's first birthday on August 17th. . . . Ben Legator and his wife recently returned from St. Joseph, Michigan where they had enjoyed a brief vacation. . . . Jim Mershimmer will be soon communing with nature in the Northwoods of Wisconsin where he is going for a vacation. He tells me that the bear and deer up there usually come up right to the cabin during the night as evidenced by the tracks they leave. Jim Mershimmer recommends that all those who are interested in the use of hypnosis and suggestion in their practice look for the announcement in the next issue of the Fortnightly and register early for a Review and Introductory Course to be given by

the Chicago Academy of Dental Psychosomatics as part of their regular program for the coming year. . . . Max Bramer will represent the Academy of Dentistry for the Handicapped at the 2nd conference of National Organizations of Areas of Dental Practice at the Drake Hotel Sept. 7th & 8th. Max just recently had an article published on Dentistry for the Handicapped in the August issue of *Oral Hygiene* magazine. . . . Members!! ## South Suburban

Attention all members! Mark off meeting dates today! . . . First meeting of the fall season is the first Tuesday in October which is the 4th! This will be political night at South Suburban with the following persons participating: For State Senator—Arthur R. Gottschalk and Henry X. Dietch. For State Representative—Mary Inger, Edwin A. McGowan, Anthony Scariano and Jack Walker. This will be a meeting you won't want to miss. It will be held at Poor Richard's Gourmet Club in Glenwood, Illinois. The food will be terrific and there will be a choice of entree. We are hoping to increase attendance this year. Our goal is 100% and with the program we have planned good food. Everyone should make the effort to get out to the meetings. . . . There will be a study club meeting the fourth Tuesday in September. The 27th, H. E. Sorsen will give a talk and demonstrate PONTIFAB. Place of meeting to be announced later. . . . The Board of Directors voted to donate \$25.00 to Ingalls Memorial Hospital in the memory of Peter J. Teeling, long time member of South Suburban who passed away last month . . . Here is the lineup of meetings

coming up: November—Thomas K. Barber—Topic—The dentist takes a look at himself; December—Assistants Night—program not complete as yet; January—Arthur J. Krol on dentures; February—C.D.S. Midwinter meeting; March—Allen Doner on Diagnosis; April—Open at this time; May—Ladies Night and Installation of Officers; June—golf outing. Plan to attend all these meetings! . . . There will be a fall workshop probably in December. John Mosteller from Mobile, Alabama will put on a two-day affair, his topic being gold, amalgam and silicates. More on this later. . . . News from the golf links: Wilbur Sadler at the St. James Hospital outing won the trophy in the dental division with an 83. Art Chun burned up the course too that day—how was that??? 115 on the first nine? Art believes in getting his money's worth. Someone told him the highest score won. Heard Pete Iagmin and Lloyd Bettenhausen met their match and had to dig a little at the 19th hole. Thanks fellows. I really enjoyed it. Shel Wallach really had a day too. He played bush golf all day. You know what that is—every bush along the course has at least one golf ball buried in it with Shel's name on it. I told him to take a power saw along. . . . Ingalls Memorial Hospital staff also had a tremendous outing. Heard that Vance Phillips and Neil Kingston had to pay off after 18. Chas Cosgroves's brother-in-law was too much for them. Of course the other member of the foursome helped out a little, didn't I? Mabe it was because George Madory was paying for the electric carts. . . . That's the news for now. More later.—*Thomas R. ### **U. S. NATIONAL HEALTH SURVEY EXAMINATIONS IN CHICAGO**

A dental examination will be a feature of the health examination which the Public Health Service's U. S. National Health Survey will give to a sample of the population of Chicago.

In September a mobile examination center will give examinations to approxi-

mately 150 adults from the metropolitan area. At a later date another 150 adult residents will be examined. The people invited to the examination will be pre-designated members of randomly-selected households.

The purpose of the examination survey is to provide information on the health status of the population as a whole, and the Chicago examinations will represent the area's contribution to the Survey's national sample. Neither x-rays nor dental history are taken and the examining dentist does not recommend any treatment. If the findings are desired they will be supplied the family dentist.

The continuing nationwide health Examination Survey is an integral part of the U. S. National Survey which collects data on the country's health. Another part of the Survey—a health interview program which has been going on since July 1957—has already produced reports on such topics as physician visits, dental care, disability, persons injured, acute illnesses, hospitalization, impairments, and broad groupings of chronic conditions.

STIM-U-DENTS FORM A PERFECT FIT  
IN THE INTERPROXIMAL SPACES.

MAGNIFIED CROSS SECTION  
OF STIM-U-DENTS SHOWING  
POROUS, COMPRESSIBLE  
STRUCTURE.

## HERE'S WHY STIM-U-DENTS ARE SO EFFECTIVE

BECAUSE, WHEN MOISTENED, STIM-U-DENTS, BY REASON OF THEIR COMPRESSIBILITY, form a perfect fit in the teeth spaces not reached by the toothbrush.

When GENTLY MOVED BACK AND FORTH they produce a highly efficient action to the interproximal surfaces, thereby promoting cleanliness and interdental hygiene.

SIMULTANEOUSLY, the contacted teeth surfaces are cleaned and polished, food particles that cause BAD BREATH and lead to DECAY are removed, and cervical borders of fillings and crowns are rendered bright and clean and far less likely to recurrence of decay.

STIM-U-DENTS are a valuable adjunct in the treatment of periodontal disease.

# *Swissedenture* is many things . . . It is SEX

*No feminine personality*

*Soft feminine appearance*

When this patient had conventional dentures her smile was of neuter gender, one that did nothing to enhance her individuality as a woman. The lifeless teeth's monotony of arrangement, moreover, betrayed them as false.

The smile of this same patient with a Swissedenture reveals a dramatic change to a soft, feminine and vivacious expres-

sion. It is the charming smile of a woman, an individual woman.

Yes, Swissedenture is sex. It is also dedication of purpose, the reflection of life, of personality and age. But mostly it is people: the individuality of patients and the mutual quest for perfection by the Midwest Esthetics Forum and the profession we serve.

*We, the members of the Midwest Esthetics Forum, pledge to maintain the highest standard of dental laboratory craftsmanship; to keep fingers on the pulse of all new advances in dental laboratory technology and, in consultation with members of the profession, to study these advances in an objective effort to determine their respective merits.*

**IF YOU DON'T SEE IT, YOU WON'T SPEND IT.** Millions of people sign up with the Payroll Savings Plan at work because it helps them save money that otherwise might slip through their fingers.

**EVERY Savings Bond you own—old or new—earns  $\frac{1}{2}\%$  more than ever before, when held to maturity.**

**You save more than money  
with U.S. Savings Bonds**

The U.S. Government does not pay for this advertising. The Treasury Department thanks The Advertising Council and this magazine for their patriotic donation.

## How to Save Money *in spite of yourself*

Many Americans have discovered a way to save money without really changing their spending habits. You simply ask the company where you work to set aside money every payday for U.S. Savings Bonds. The Payroll Savings Plan makes sure that it goes into savings before you can dribble it away. And, if you buy a \$25.00 Bond a month (cost \$18.75) in 40 months you'll have Bonds worth \$1,000 at maturity. You really won't miss it because it adds up to only 63¢ a day.

**U.S. Savings Bonds are more than a good way to save**

- You can save automatically with the Payroll Savings Plan.
- You now earn  $3\frac{3}{4}\%$  interest to maturity.
- You invest without risk under a U.S. Government guarantee.
- Your money can't be lost or stolen.
- You can get your money, with interest, anytime you want it.
- You save more than money—you help your Government pay for peace.
- You can buy Bonds where you work or bank.

**WILL THEY LIVE IN A PEACEFUL WORLD?** Lots of Americans do more than "hope so." They're buying U.S. Savings Bonds to help pay for the strength America needs to help keep the world at peace.
